Refreshing and exciting silver jewellery jumpstarts 2009

Invigorating and edgy contemporary silver jewellery sets the mood at the start of this year. Organic shapes, rich textures and vibrant colours will be ever-present in new-year collections, as designers hope to make big splashes with their maiden launches for the year.

踏入新一年，銀飾設計師紛紛為新系列注入各式各樣的全新元素。漂亮的線條、豐富的質感和明亮的色調標誌著首飾設計師的精心傑作。
